CORDIALLY INVITE YOU TO A COCKTAIL RECEPTION SUPPORTING **TAKING BACK THE HOUSE** WITH

Can Democrats take back the House of Representatives? *Democrats can and MUST.*

In 2018, it is critical that Democrats take back the House so there is a check in place against an Administration that flouts the rule of law, is actively working to take away health insurance, damage our environment, separate families and commit our military to fighting wars without authorization from Congress. Now is the time for us to get involved and act to protect our nation.

Do you want a Congress that believes in science? A Congress that passes comprehensive immigration reform? A Congress that believes our nation is stronger together?

If so, then please help support the L.I.E.U. Leadership PAC! L.I.E.U. PAC's funds cannot and will not be used for Congressman Lieu's re-election. Please join Congressman Ted Lieu to help take back the House!
