Friend,

Every generation has a moment, and this may be one of the most important moments in our time. With the murders of Black Americans all over the country, little to no accountability, and communities and families demanding justice, Democrats can lead on issues - but how and what will it take?

On **Monday, June 29th at 7:00PM** join Charity Chandler-Cole, the president of the Black Los Angeles Young Democrats, for a conversation with Black Democratic leaders from across Los Angeles County in ***Leading While Black: How Democrats can Meet and Lead past the moment***, the first of our new series, *LACDP Presents*..
