

CA STATE SENATE  
**BEN ALLEN**  
DISTRICT 26

**Control of the US Senate and the future of our country are on the ballot January 5th** -- if we win both Georgia runoffs, Democrats will win the Senate majority we need for Joe Biden and Kamala Harris to implement their bold, progressive agenda. However, both races are true toss-ups, with polls showing Jon Ossoff and Rev. Raphael Warnock both running within the margin of error.

That's why I'm teaming up with our friends at Grassroots Democrats HQ and hosting a virtual GOTV phone bank this **Saturday, January 2nd at 11am PST** in support of Jon Ossoff and Rev. Warnock. We'll be calling voters across Georgia to ensure they have a plan to vote before polls close on January 5th. [Can you join us?](#)

**GOTV PHONE BANK FOR  
REV. RAPHAEL WARNOCK  
AND JON OSSOFF  
WITH CA SENATE DEMOCRATS**

***Don't worry if this is your first time making calls; we'll have a full training at the beginning of the phone bank for anyone who needs it!***

This is truly an unprecedented opportunity to change the trajectory of our country's future. With the backing of a Democratic Senate, President-Elect Biden and Vice President-Elect Harris would have a mandate to pass a stimulus package that prioritizes working families and revitalizes the economy, ensure every American has access to quality, affordable healthcare, and tackle the climate crisis before it's too late. Simply put, we cannot let this moment go to waste. [It's time to roll up our sleeves and get to work -- will you join me?](#)

Sincerely,

Senator Ben Allen
